C. Combined Economic Development Plan

- The city has received a number of inquiries regarding the ability of the city to expand utilities outside the current corporate limits, particularly to areas adjacent to the soon to be opened bypass (SR 223). The Bradford County Fairgrounds has in their expansion plans a building to serve as Emergency Shelter which will serve both governments and the citizens of the county. To that end, the city wants to advise the BOCC of the additions needed to the water supply system to make the Fair Association plan a reality, let alone expand water services to other currently unserved areas.
